

## TRUCLEAR Photo Library Instructions for Use

The images in this library are the copyright of Smith & Nephew, and we are making them available in good faith for non-commercial use. It is not our intention to market, advertise or promote our brands or products. You may reproduce our images on the understanding that:

- Any reproduction of our images will include the following acknowledgement adjacent to the image(s) used: Used with permission from Smith & Nephew
- You will not use our images in any way that is prejudicial to Smith & Nephew, our employees, our partners or our customers.
- Images will be used in its entire original state (not cropped or readjusted in any way)
- No content, such as wording or other pictures/graphics will be added to the picture
- All claims about the safety, efficacy, or attributes of the featured product must conform to the information provided in this media kit. Additional information must be approved by Smith & Nephew, and requests shall be directed to [brand.questions@smith-nephew.com](mailto:brand.questions@smith-nephew.com)
